TO: ALL PROVINCIAL, DISTRICT AND REGIONAL SUPERIORS

Dear Sisters,

Greetings of Peace and Hope during these troubled times!

Attached is a very timely communique from the International Union of Superior Generals (UISG) with its urgent appeal for SOLIDARITY during this time of crisis.

Although the communication is clear and purposeful, allow me to reiterate an important point which we can easily overlook especially if we feel that the danger is outside our zone. I quote, "It is the time to follow the directives provided by the World Health Organization and our respective governments."

Dear Sisters, as we continue to pray for those who are sick, let us not forget to pray more so for the persons who are in the "front line" caring for them and for our medical experts who are still searching for remedies. As Sr. Jolanta puts it: "... **they should know that they are in the thoughts and prayers of Sisters worldwide.**"

May I therefore ask that you disseminate this important communication from UISG to all the Sisters in the PDRs. Invite them to **set aside the 22nd day of March as a "day of worldwide solidarity and prayer** especially for all those directly affected."

Our good God is our Hope. In Him we trust!

Affectionately in our Lord,

Sr Maria Goretta Lee
Sr. Maria Goretta LEE
